Dayton Community Broadband Project

REQUEST FOR PROPOSALS – Fiber Optic Materials

QUOTES DUE BY: 10 am December 8, 2022 via email to jennie@portofcolumbia.org.

Background:

The Port of Columbia will construct a network of fiber optic cable and facilities as part of Dayton Community Broadband “fiber-to-the-home” project to connect approximately 1,287 businesses and residences in the city limits of Dayton, Washington and adjacent areas in unincorporated Columbia County. The Port has a fully-executed contract with the Washington State Community Economic Revitalization Board (CERB) for funds to construct the project. These are federal funds, so the federal procurement process will be followed.

Request for Proposals:

Please provide proposals for the materials listed in the attached *Exhibit A, Port of Columbia Owner Supplied Material List*, on or before 10 a.m. on **December 8, 2022**. Proposals should include shipping/freight costs, applicable taxes, and lead times.

The SHIP TO address is 1 Port Way, Dayton, WA 99328.

Proposals will be evaluated per 2 CFR Part 200 Subpart D - Procurement Standards

Evaluation Factors (in order of relative importance):

- Proposal matches part numbers listed
- Price
- Lead Time (*delivery on or before April 1, 2023*)
- Domestic manufacturer of product*

* “Manufactured products” means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

Proposals and prices must be valid through **December 15, 2022**.

Small businesses, women-owned businesses, veteran-owned businesses, and minority-owned businesses are encouraged to respond.

The Port of Columbia’s mission is to maximize public resources and private investment to create jobs, provide infrastructure, and maintain and improve the economic vitality of Columbia County and its communities.
